Common Sense and Your Safety

- Getting around Philadelphia.
- Timely reporting incidents to police.
- See something, Say something. Does it work?
- Know your environment. Pay attention to your surroundings.
- Say hello to your neighbor, it's a good habit to let others know that you know they see you and you see them!
- Don't let your fear takeover your personal safety and control.

Answering the tough questions

Safety on Campus

Is there a right way or a wrong way?

Social Media and Communications

- TUDPS Official Website
- Facebook
- Instagram
- LinkedIn
- X (Formerly Twitter)
